

RedHub Multisport CLUB

Welcome to the RedHub Family! Our mission is to make triathlon and multisport more accessible and achievable to all athletes from all walks of life. We aim to make the transition into triathlon as easy and enjoyable as possible and we will endeavour to guide each member through all the processes involved.

We have put together a team of experienced individuals to assist each athlete in achieving their short and long term goals, whatever they may be, through the various services we offer. In addition to this, the club will undertake to provide a setting where athletes of similar abilities can meet for training sessions where all are made to feel welcome.

Along with the above the club's aim is to provide a gateway to club members for the following services:

1. quality coaching and specialist medical services
2. discounts and services from our preferred suppliers and retailers
